The Gentry Brothers Famous
Trained Animal Show to Ap-
pear in Albuquerque on May
Fifth.

Every youngster in Albuquerque is
happy over the good news that the
Gentry Shows, the idol of every child-
ish heart, will exhibit in Albuquerque
on Tuesday, May 5. Mr. Jolly,
the contracting agent, was here yes-
terday and perfected all arrange-
ments for the appearance of this
wonderful, trained animal exhibition

in this city on the above date.
After looking the town over care-
fully he selected the vacant lot on
the corner of Main and Second streets,
where the new Masonic Temple
will be built.

Albuquerque Elks have issued in-
vitations for an Elk's dance to be

registers to be used in this city has
been installed by the E. L. Washburn
Company, their exclusive agents.
It is located on the corner of
South Second street. It is a remark-
able piece of mechanism run by elec-
tricity.

J. Burns and Enrique Sareda,
the former continued of passing
worthless checks and the latter of
burglary, were taken to Santa Fe to-
day by Sheriff Jesus Romero and De-
puty Sheriff Gregorio Romero, to begin
their sentence in the peniten-
tial.

tive of the Imperial Automobile com-
pany, of Jackson, Mich., and fifteen
years ago a resident of Albuquerque,
is in the city for a few days arran-
ging for opening a state agency for

finds Albuquerque given from a village
into a city since his last visit.
He makes his southeastern headquar-
ters at Dallas, Tex.

Col. D. K. B. Sellers, president of
the Ocean-to-Ocean Highway asso-
ciation, received a letter yesterday
from Col. Ed Fletcher of San Diego,
a member of the National Highway
association, stating that the link
between Yuma and Holteville
will be completed within four
months. Sixty-two miles of the road
will be laid with asphalt. The road
from El Centro to San Diego will be
concrete. It will be open for travel
by July 1, 1914. From another com-
municant, he learned the Yuma

The California Shriners will not be able
to remain long in this city, but will be
able to give an entertainment in return
for the hospitality shown by

their ten million dollar band, chante-
uers, soloists and four drill patrols.

They are due to arrive here at 7
o'clock in the morning of May 2.
Robert Petty, postmaster of Ballet Algodon
temple of this city, is arranging for
the entertainment of the picturesque
pilgrims. The entire divan of the
temple is expected to greet the visiting
Shriners, and the plan is to have
enough automobiles to take them on a rapidfire sightseeing tour.

They will be shown the Indian school
where the scholars will be lined up and
the band will play, and from there they will be carried about the
city to the university, "taking in" the
Masonic temple on the way.

The Shriners ten million dollar
band will not only consist of musicians ever brought
together, but the largest band that
has ever toured the United States.
One cornetist is worth \$1,000,000 and
a horn player \$500,000, while one of
California's brightest lawyers will put
aside his brief and code and beat a
drum.

Two of the features that will at-
tract a great deal of attention here
are a quartet of baby brown bears,
and a team of ostriches who eat
nothing but oranges and raisins.

The Islam patrol of San Francisco
is a crack company of Shriners who
have time and again won fame be-
cause of their exact and difficult
maneuvers.
